RE: Nicor Legal Notice

Linda Moore,

Regarding the Nicor Legal Notices for April 2 and April 9. Please note the following updates.

The amount listed on the order sent to you is a Gross amount. The gross amount is not the same as the amount that will be paid to your newspaper. The cost that is paid to the newspaper is the Net cost. To find the net cost, multiply the gross amount on your insertion order by 0.85. The resulting amount is the net cost of the ad, and that is how much we will be paying you, and the net is the amount that should appear on the bills that you send to us.

For example, if the gross cost listed is \$10,  $\$10 \times 0.85 = \$8.50$ . Therefore, the amount we would pay, would be \$8.50.

If you find the net cost for your order to be incorrect after applying the formula above to the gross cost on your order, then please note what the correct net cost should be, and fax this back to us.

The reason we send the order with a gross cost listed is that our billing system is set up to show gross rather than net, since many other media vendors that we work with, other than newspapers, bill in gross dollars.

Billing and affidavit/certificates should be sent to the following address:

Maggie Nuno  
Publicis  
224 South Michigan Ave, Ste. 700  
Chicago, IL 60604

Camera ready materials will be sent to you by overnight mail from Lee Haas at 312-697-5847.
